Who is this guy? Why Hash Farnsworth, of course. If you want to know what is correct in clothes (and this means the girls also) ask Hash. No bunch of fellows is complete without him, no chaperone can do anything with him. He is always jolly and always smiling. He is doomed to feed pills to ailing people and he will feed them well and wisely, for Edgar is a man to make but few mistakes. Here's to you Edgar, whatever way you may turn your steps.
