KATHLEEN ELLA SMITH

Born April 12, 1904. English Course. Speaker at Junior Reading (3); Honor Essay, at Graduation.

Did someone ask if this serious maiden ever smiled? Do not be misled! This is only the way she looks in church. Is she studious? Yes! If you don't believe it just try her out on some hard, disagreeable piece of work, and watch her pull through. Though she is unobtrusive, Kathleen is a good sport when fun is going. She is always good-natured. That is one reason why we like her.
